Costume jewellery is an industry related to the production and marketing of fashion accessories such as necklaces, bracelets, rings and earrings which are entirely handmade using non precious materials, like glass, resin, ceramic, wood, stones, shells and metal. Bijoux is name-called “costume jewellery” as it is originally created for show business, but it soon gain a very popular diffusion thanks to its reasonable price and to the aesthetic look.

A decorative graphic on the right side of the page consists of three overlapping circles. The top-left circle is light gray, the top-right circle is a medium gray, and the bottom circle is a darker gray. They overlap in the center-right area of the page.

La bigiotteria è il settore che riguarda la produzione e la commercializzazione di accessori di abbigliamento come collane, bracciali, anelli e orecchini, realizzati interamente a mano utilizzando componenti non preziosi come vetro, resina, ceramica, legno, pietre, conchiglie e metallo. Il bijoux prende anche il nome di “gioielleria di scena” in quanto nasce come produzione per il mondo dello spettacolo, ma ottiene presto grande diffusione commerciale grazie alla sua accessibilità e al piacevolissimo risultato estetico.
